

Suresh & Roja

India Village Ministries

BACKGROUND

India Village Ministries is based in Andhra Pradesh in India serving 40 villages in the region and beyond. Suresh & Roja lived in Aberdeen while Suresh was studying and worshipped at GSBC. They have a son Swithin and a daughter Sophie, pictured below with Suresh's mother.

MINISTRY AREAS

1. Orphans: They provide not only food and shelter but quality education and instruction in Christianity.
 - the first orphans have started to graduate at high school and move onto college and university.
 - make a huge difference not only to those attending, but those that they will be ministering to in the future
 - orphanage being recognised by local and district officials with a number of dignitaries attending IVM's recent 15th birthday
 - Due to the success of the project, IVM had to embark on the building of a new dormitory complex.
2. Outreach to Villages: Train and support pastors to minister to other villages in the area and beyond by providing bicycles for them to get to their destinations is of great practical help.
3. Empowering local community: providing sewing machines and skills so that folks can have a new start and support themselves.
4. Reaching out and supporting to support the elderly in the area

PRAYER POINTS

- Pray for good health for Suresh, Roja and the family and their protection so that their ministry will continue to bless those they serve.
- Pray for continued finances and that they will grow in order that they may increase their ministry to more orphans, pastors and elderly.
- Pray for the successful completion of the new dormitory.
- Pray that the orphans will achieve the very best that they can before God and that they will put their trust in him to guide their lives.
- Pray for the pastors that as they go out to serve their communities they will bring great blessings and bring the name of Jesus to many that may never have heard.
- Pray for continued success in IVMs ministries to elderly folks and those needing a new start.
- Finally thank God for the way in which IVM is seen by the area officials and pray for continued good contacts.
